

THE STATE OF NEVADA  
CERTIFICATE OF APPROPRIATION OF WATER

WHEREAS, W. J. Gardner, has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from WILLOW SPRINGS, through a pipeline and troughs, for Stockwatering,

purposes. The point of diversion of water from the source is as follows: at a point in Lot 4, Section 3, T. 26 N., R. 59 E., M. D. B. & M., from whence the NW corner of T. 27 N., R. 59 E., bears N. 26° 30' W., 35627 feet.

situated in Elko, County, State of Nevada. Now Know Ye, That the State Engineer, under the provisions of Section 72, Chapter 140, Statutes of 1913, has determined the date, source, purpose and amount of such appropriation, together with the place to which such water is appurtenant, as follows:

Name of appropriator W. J. Gardner

Postoffice address Ruby Valley, Elko County, Nevada.

Amount of appropriation 0.0084 of a cubic foot of water per second.

Period of use, from July 1st to September 1st of each year

Date of priority of appropriation August 20th, 1919

Description of works of diversion and use: - An open cut 4' wide and 55' long has been made at the upper spring which is about 300' west of above described point of diversion. Water thus developed runs down the channel to the lower spring at which an open cut 3½' wide and 90' long has been made, and from which the water is conveyed through 60' of 2" pipe to five wooden troughs each 11x11x12' long. In this manner water is conserved for watering about 1400 head of sheep.

The right to water hereby determined is limited to the amount which can be beneficially used, not to exceed the amount above specified, and the use is restricted to the place where acquired and to the purpose for which acquired.

IN TESTIMONY WHEREOF, I, ROBERT V. ALLEN, State Engineer

doth, by me, set my hand and the seal of my office, this

1919.

26th day of April, A.D. 1919.

*Robert V. Allen*

State Engineer
